

Map to Haywards Heath Town Hall

Venue for our courses

- From the **M25** take the exit for **M23 Junction 7**
- Keep on the **M23** - this passes Gatwick and turns into the **A23**
- Turn off the **A23** at the **A272** for **Haywards Heath** the follow the signs for Haywards Heath.
- Follow the Map - you will pass a pub on the left called the **Dolphin**, which is on two mini roundabouts. You are now in **Muster Green** - you will see a large green on your left with flowerbeds. You will then enter a one way system and you will need to bear **left** here into **Boltro Road**.
- Once in **Boltro Road** follow the signs for **Town Hall** and **Library**.
- Approximately 100yds down on the left is the **Haywards Heath Town Hall** - a two storey building with flower beds at the front entrance and large blue doors. If you pass the Library you have gone too far. Turn around and come back up **Boltro Road**.
- There is a **Maxwelton House Overflow Car Park** directly opposite the Town Hall. You can park here. It is an entrance to two blocks of new flats - pull in and turn left - our car park is the lower section. Please leave this map in the windscreen to indicate that you are a Cullen Scholefield client.
- If on arrival at the Town Hall the blue front doors are locked, turn to the right of the building and follow the path round the side where there is a small side entrance to the Town Hall. The course is held on the first floor where the Tutor will be waiting to meet you.
